## PRIEST BENEFIT FUND

[WWW.PETERBOROUGHDIOCESE.ORG](http://WWW.PETERBOROUGHDIOCESE.ORG)

"I have really appreciated the generous support of our parishioners for the annual Priest Benefit Fund Collection. It is a wonderful sign of your gratitude and care for those who have cared for your spiritual needs over many years. As our senior priests retire from regular parish responsibilities, your ongoing generosity enables them to live with comfort and security. Thank you for your kindness and giving spirit, which are rooted in faith!"

Most Reverend Bishop Daniel Miehms

## FINANCIAL STEWARDSHIP OF THE PRIEST BENEFIT FUND

The Diocese's Priests Benefit Fund is a pooled, non-registered, defined benefit that collectively invests and administers the funds per Diocesan Policy. The assets of the Fund are segregated and held in a separate fund under the supervision of the Diocesan Finance Council and the PBF Advisory Committee.

Between the years of 2012 through 2020 the average annual costs for retirement benefits and health care was \$486,003.

- The Diocese has been able to continue positive sustained growth of the PBF for the needs of our retired priests and those suffering from longer term illnesses.
- We are grateful to share the wonderful news that as of January 1, 2021, the Actuarial Study results show the Priest Benefit Fund as fully funded based on the current and projected number of diocesan priests who will retire and/or experience early retirement medical issues.
- The 2021 Actuarial Study showed dramatic improvement from the 2015 and 2018 which both showed unfunded liabilities.
